THE LAW OF LIFE SUMMIT

LAWLIFE.ORG

A few words from Royce Hood.

The Law of Life Summit first launched in 2012. The idea for the Summit was that if we could get pro-life leaders together with law students perhaps we could cultivate the future leaders of the pro-life movement. But we would need to create a program that combined law and culture. Shortly after deciding to create the first Law of Life Summit I read an article about a former Lt. Col. who was running in marathons around the world to save babies. I reached out and pitched the idea for the Law of Life Summit to Dr. Pat Castle. He didn't hesitate and he jumped in with both feet. We've been co-hosting the Law of Life Summit together ever since.

As we continue moving forward I would like to invite each of you to become more involved. Please contact me if you are interested. We need your help to take the Law of Life Summit to the next level in order to truly impact law and culture in a meaningful way beyond our annual Summit.

Each year we offer free admission. For the past couple of years we have also offered VIP ticket levels that guarantee a seat. Please know that every dollar generated from VIP ticket sales helps to underwrite the cost of the Summit. Please consider a VIP ticket for next year if you enjoy the program today. However for as long as I am involved we will also offer free admission to those who wish to attend.

Special shout out to all of our Beyond Roe Advocates!

- Mr. Jeffrey Barefoot
- Ms. Eskew, President and Founder of Personhood Education New York, a 501c3.
- Roshan Jibodh
- Mr. Charles Reimer
- Mr. Christopher Wagner

Also special thanks to all of our VIP ticket holders!
Last we thank each of our participating organizations.
Please join us next year by reaching out via lawlife.org in the Spring of 2020.

Thank you for coming to the Law of Life Summit - Beyond Roe 2020!
